CONTRACTING TOOLS

Contracting Policy Web Site

Single source web site for latest acquisition news, policy and tools:

[HTTP://www.amc.army.mil/amc/rda/default.htm](http://www.amc.army.mil/amc/rda/default.htm)

Contracting Operations

Contractors on the Battlefield, Acquisition Career Experience(ACE), Activity Based Costing (ABC) and ALT/PLT

Contracting Processes

Contracting Legislation, new contracting policy highlights, Army Source Selection Guide. And links to Defense Acquisition Deskbook, Regulations and Pamphlets

Integrated Procurement Systems

Army Single Face to Industry Web Contracting System, Reverse Auctioning, and A-Mart

AMC is big business...with big challenges to transform our business processes in ways that enable acquisition and Army transformation

CONTRACTING AUTOMATION TOOLS

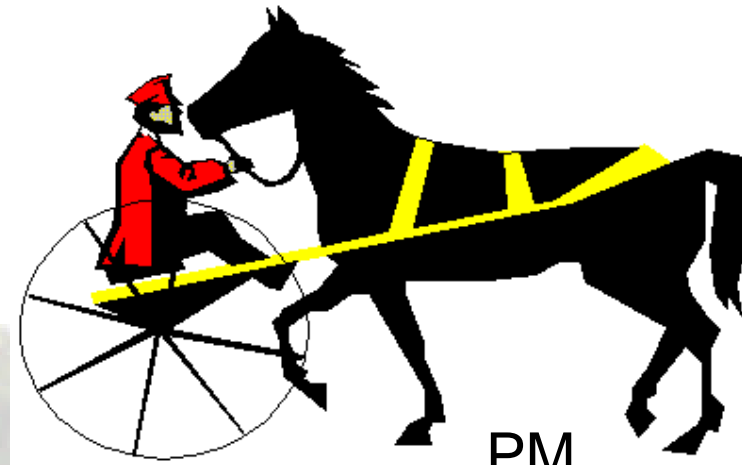

Army Single Face to Industry Capabilities

- Direct Interface with Standard Procurement System (SPS)
 - Allows for receipt of solicitation data
 - Allows for receipt of contract award data
- Direct interface with FedBizOpps
 - Preparation and submission of synopses
 - Submission (upload) of solicitation
- Provides 'Procurement Notifications' (Contract Award)
- Centralized Entrance Point for:
 - Industry Registration
 - Integrated with the Central Contractor Registration (CCR) System
 - Access to 'ALL' Army contracting opportunities
- Secure 'Vendor Response' capability
